- 4.1   Mr A Dalby has tendered his resignation with effect from April 5<sup>th</sup>
- 4.2   Mr G Taylor / Mr D Dalby to be contacted to clarify if they are willing to carry on working and what hours they are available
- 5     **Machinery and Plant**
- 5.1   Servicing of machines to be carried out by AD on days when weather restricts him to workshop
- 5.2   Old torro to be set up for cutting tee boxes , new machine arriving end March
- 5.3   Scrap machinery to be brought to top field for end of Feb , RB to contact scrap dealer for price
- 6     **Maintenance**
- 6.1   Sprinkler head leaking 7<sup>th</sup> green AD to repair
- 6.2   Torro tyres removed from old machine to be repaired and used as spares
- 6.3   AD Recommends over seeding to be carried out later in season to allow seed to germinate and develop without being burnt off in summer – no price sought until nearer time
- 6.4   AD Recommends fairways be fertilized with slow release product Thorntrees to supply price
- 6.5   Committee feel that hand mower is not essential as money could be better spent on a turf cutter. Purchasing a second had turf cutter for approx. £750 would increase productivity ie more time spent doing job than spent cutting turf, Hire of turf cutter approx. £100/hire , so after 7 hires the machine would have been bought and paid for
- 6.6   Under present weather conditions AD would recommend watering of greens
  
- 7     **Date of next greens meeting Tuesday 5 Feb 9.00**
