

Good Afternoon Everyone and welcome to our 2021 AGM.

Well, where do I start, I have to say it's been a very different Captaincy this time, last year was a write off especially with Covid, and this year has been challenging to say the least.

Unfortunately our May Open, Invitation Day, Guest Day and Texas Scramble all were cancelled due to lack of numbers but my Captains Day was a success and thankfully we had good weather and also good food supplied by James and his Team. Our Bingo night was well supported from the local community and from the Club and again the food was excellent. The Galley held a fun day in August and the Ladies Section held a tombola stall and a raffle.

Our outing this year was at Blyth Golf Club in August and was well supported by the Club.

I would like to thank the Committee for all their support over the last 18 months, Louvaine Wraith was approached and agreed to come on to the Committee.

Sadly this year we lost Joan Gray and Mary Wilkinson from the Club who were long standing members.

In June we held 2 Ladies Initiatives with the view to attract new members and Alison McPhillips took up the offer and joined.

We have welcomed 3 new members this year Sue Park, Vicki Heap and Alison McPhillips and hopefully in the future a Captain may emerge.

With the change in the Golf year which now finishes on 31st March you will have to put with me for an extra 3 months. We hopefully will have a volunteer by then to take over from me otherwise the Club could be in danger of closing which would be a great shame.

Hopefully next year we can look forward to things returning to normal.

This is my report, Thank you.
